DEAR PARENTS AND GUARDIANS,

Cancer Foundation Morning Tea: We had a fantastic response to our Biggest Morning Tea this morning with over one hundred mums, dads, grandparents and friends joining the children for morning tea and raising $710.00 for the Cancer Foundation. I thank all those who contributed towards this worthy cause, which affects so many of our families. We keep those who are affected by cancer in our prayers. Thank you to Jacqui Cooney for co-ordinating this event for the school.

Kindergarten 2010: This week I completed Kindergarten interviews with prospective new families at St Andrew’s for 2010. Sibling families that have not completed an application form for a child beginning Kindy in 2010 need to do so immediately or they may miss out on a place. Families have been asked to complete a survey regarding an increase in the number of days offered for Kindy in 2010. The Board will make a decision regarding this at its next meeting and parents will be advised of the outcome. Playgroup will operate in Semester Two for families of children attending St Andrew’s Kindy in 2010. Thank you to Jo Dennis for co-ordinating Playgroup this year and to the other parents who have offered to assist.

School Fete: Meetings were held yesterday to ascertain interest in our running a School Fete in 2010. If you could not attend a meeting but are interested in helping, please contact Judith Birchall on 0432 441 662. Unless there is interest and support in the community, the idea of a fete will remain just that – an idea!

Ring Pull Can Top Collection: Brother Ollie Pickett sent the following letter of thanks to the students, parents and staff of St Andrew’s.

Thank you all so much for your wonderful support for our Wheelchairs for Kids Project by saving so many of the aluminium ring pulls. We recycle the ring pulls at the Wanneroo Recycling Depot and use the money to buy more aluminium tubes to make the wheelchairs. The disabled children will be most thankful to you all, as a wheelchair enables them to have dignity by getting off the ground as well as giving them mobility. Thank you again for your compassion. Yours sincerely, Brother Ollie Pickett

Thank you, Karen Young, for co-ordinating this collection here.

MAKING JESUS REAL IN OUR LIVES

REVIEW:
Let us take some time to go over the MJR tips that have been appearing in the newsletter each week.

Take time to talk about the following questions. Perhaps the dinner table is a great place.
1. What does it mean to Make Jesus Real in Our Lives?
2. What does TUP or PUT mean? Explain how you display TUP or PUT.
3. When did you last use the BIG ‘E’ word? What E words have you used this hour, today and this week? Share some E words with each other.
4. What is a Billy Kart? What is a Go Kart? Which would you rather be and why?
5. Why is it a bad habit to break down and be a snowflake?
6. Talk about Blisters. What do they do? Why don’t we want blisters at home and at school?
7. Is it a good thing to use the BIG ‘T’ word?
8. What is I.C.O.? Are we showing I.C.O. to each other at home and at school?

By using these MJR terms correctly and frequently your life could improve significantly and quickly.
