Dear Parents,

SCHOOL UNIFORMS: The school leadership team will be visiting all classes within the next few weeks to establish that the correct uniforms are being worn. Please ensure that your child has the correct uniform and wears it on the correct day. This includes black school shoes, predominantly white sports shoes and ties from Years 3 up. Also sports shirts can be worn out but school shirts need to be tucked in. We all appreciate your co-operation in this matter.

SCHOOL CROSS COUNTRY: Good luck is extended to all of the children who will be participating in the school cross country which will be held on 17th June. We wish you all every success in your performance and your own personal best.

CYBER AWARENESS DAY EXCURSION: Last week the Year 4 classes attended the Cyber Awareness Day at Clarkson Library. Students took part in activities to reinforce ways to be safe and responsible users of technology. The event also included a performance by Constable Care called ‘Screen Name’. Key concepts covered in this performance were –

- Not everyone we meet online is honest about their true identity
- There are safe actions we can take to protect ourselves online
- Always tell someone you trust (preferably an adult) if you are concerned about something you experienced online that made you feel unsafe
- Ensure your personal information is protected online
- There are real risks involved in meeting an online contact face to face, as you can never be sure they are who they say they are.

The students had a great time and learned some valuable strategies to keep themselves safe while online. (Keep an eye out for a photo of some of our students in the North Coast Times Newspaper attending this event!)

God Bless

‘AKOUSTIC ODYSSEY’

On Monday 8th June, the world music quartet, ‘Akoustic Odyssey’ performed original compositions for our students, bringing to life music and exotic sounds from Greece and Latin America. The children were invited to play percussion instruments and to join in with body percussion in songs such as ‘The Triremes.’ During the group’s performance of the popular song ‘Shift the Telly’, Mary [4W] entertained us with her amazing belly dancing. Being able to see and listen to instruments such as the kulup, the toumberleki and the cajon made this an unforgettable multicultural experience for the students at St Andrew’s.

THE RIPPLE OF GOODNESS!
Year 6W

In religion classes, 6W have discussed the concept of “Paying it forward”. This is essentially founded in the principle that Jesus calls us to build up His Kingdom. This is done by seeing the good in others, and by doing good for them hoping that they will become ripples of goodness. We watched the clip: ‘Give A Little Love’ by Noah and the Whale which is based on Mathew 22:39 (Love Your Neighbour as Yourself). We will be ‘Ripples of Goodness’ this week by:

Isobella: walking all three dogs.
Chelsea: cleaning my sisters’ bedroom.
Nyandeng: waking up early and making my lunch instead of my Mum doing it for me.
Ludwig: vacuuming the house for my parents.
Connor: cooking dinner.
Emilio: waking up early and getting my younger siblings ready for the day ahead.
Simon: doing the washing and hanging it on the clothes line.
Cate: vacuuming the house for my Mum.
Phoebe: cleaning my bedroom instead of my Mum doing it for me.
Virginia: helping my parents cook dinner.
Elizabeth: washing the car without being asked.
Rhianne: putting my younger brother to bed so my Mum can read for leisure.
Seth: doing the cat litter.
Liam: cooking dinner.
Amara: making my Mum coffee in the morning.
Kyla: feeding my cats.
Holly: making my brother’s bed as well as mine.
Jelyn: vacuuming the house for my Mum.
Harry: making my older brother’s bed.
Amelia S: washing the dishes for my older brothers who don’t like washing up.
Amelia T: bringing in the groceries.
